ESS Terminologies through the project cycle									
Project Phase / Stage	ADB	ADFAT	NZMFAT	JICA	EIB/ EU	USAID/ US	WB	Milestone	
Project Identification / Concept Stage	*Country Environmental Analysis (CEA) *Country Strategy and Program (CSP) *Country Systems Assessments. *Rapid Environmental Assessment *Screening and Categorization	*Risk Factors Screening Tool *Risks Categorization *Safeguard Screening Checklist *Child Protection Risk Context Tool *Disaster risk assessment and vulnerability mapping *Investment Risk Register *Development Risk Matrix	*Environmental and Social Risks and Opportunities Screening Checklist *Risk Classification Framework *Country Systems Assessment of Environmental & Social Impact Assessments.	*Environment & Social Consideration (ESC) *Risk Categorization *Strategic Environmental Assessment (SEA).	*Environmental and Social Standards (ESS) *ESS 1 - Environmental and Social Impacts and Risks. *Strategic Environmental Assessment *EIA Directive *Criteria to decide on further assessments.	*Environmental & Social Screening Template **Screening & Preliminary Assessment *Rapid & Simplified Environmental & Social Impact Assessment (ESIA)	*Environmental & Social Standards (ESS) *Environmental and Social Review Summary (ESRS) *Risk Identification & Categorization *SEA/SH risk rating * Deciding on the applicability of different ESSs * Stakeholder Engagement Plan (SEP) *Free, Prior & Informed Consent participation *Grievance Redress Mechanism * Environmental & Social Commitment Plan (ESCP)	Project Concept Note & Decision Making	

| Project Design/ Preparation Stage | *Initial Environmental Examination (IEE) *Environmental Impact Assessment (EIA) *Summary IEE/ EIA * Environmental Management Plans (EMP) *Reports & Recommendations (RRP) ----------------------- *Social Impact Assessment (SIA) *Resettlement Plan (RP) *Resettlement Framework (RF) * Stakeholder Engagement Plan (SEP) *Grievance Redress Mechanism (GRM) *Indigenous Peoples Plan (IPP) *Indigenous Peoples Planning Framework (IPPF) *Environmental and Social | *Environmental Assessment and Review Framework (EARF) *Environmental and Social Impact Assessments (ESIA) *Environmental Management Plan (EMP) *Environmental and Social Management Systems (ESMS) *Environmental and Social Management Framework (ESMF) *Due Diligence Assessment Report. *Grievance Redress Mechanism (GRM) *Indigenous Peoples Plan (IPP) *Indigenous Peoples Planning Framework (IPPF) *Resettlement Plan (RP) *Resettlement Framework (RF) * Stakeholder Engagement Plan (SEP) | *Environmental & Social Impact Assessments *Stakeholder Consultation / Engagement Plans. *Ecology Impact Assessment * *Summary of Impacts and Mitigation Measures *Gap Filling, if necessary, to strengthen country systems. *Grievance Redress Mechanisms *Activity Risk Register *Statistical Markets: Gender Equality; Human Rights; & Environment | *Environmental and Social Impact Assessments (ESIA) *Initial Environmental Examination (IEE) *Environmental Management Plans (EMP) ----------------- *Resettlement Plan (RP) *Resettlement Framework (RF) * Stakeholder Engagement Plan (SEP) *Grievance Redress Mechanism (GRM) *Indigenous Peoples Plan (IPP) *Indigenous Peoples Planning Framework (IPPF) ----- *Environmental and Social Management Systems (ESMS) | *Environmental Impact Assessment (EIA) *Environmental and Social Impact Assessments (ESIA) *Cumulative Impact Assessments (CIA) *Environmental and Social Management Plan (ESMP) *Stakeholder Engagement Plan (SEP) *Environmental and Social Management System (ESMS) *Grievance Redress Mechanism (GRM) *f Best Available Techniques1 (BAT) or emerging techniques *Integrated pest management (IPM) *National Energy and Climate Plans (NECPs) *Climate Risk and Vulnerability Assessment (CRVA) | *Sectoral Environmental Guidelines *Environmental & Social Impact Assessment (ESIA) *Environmental Management Plans (EMP) *Mitigation & Monitoring Plans (MMP) *Environmental Mitigation and Monitoring Plan (EMMP) *EMMP Templates & Fact Sheet *Mitigation & monitoring Guidance *Environmental Compliance & Budgeting. *Environmental Impact Statement (EIS) *Stakeholder Engagement Plan (SEP) *Free, Prior & Informed Consent (FPIC) *Climate Risk Management Process *Climate Risks Profile & | *Environmental & Social Impact Assessments (ESIA) *Environmental and Social Management Framework (ESMF) * Environmental and Social Management Plans (ESMP) *Environmental & Social Audit * Strategic Environmental & Social Assessment (SESA) * Cumulative Impact Assessment *Hazard Assessment *Social & Conflict Analysis *Labor Management Procedures and Plans. -------------- *Community Health, Safety and Security Plans. ----------------- *Resettlement Framework *Resettlement Plan | Project Appraisal Report/ Document |

	Management System (ESMS) *Initial Poverty and Social Assessments (PSA) *Gender Assessment and Action Plan.				*Resettlement Policy Framework (RPF) *Resettlement Action Plan (RAP) *Livelihood Restoration Plan (LRP) *Vulnerable Groups, Indigenous People and Gender Action Plans. Labor Management Plans (LMP) *Health, Safety & Security Plans.	Greenhouse Gas Emissions Fact sheet *Compulsory displacement and resettlement (CDR) Guidelines *Democracy, Human Rights and Governance Strategy/ action plan. * Gender Equality & Female Empowerment Policy. / Plans. Promoting Rights of Indigenous Peoples (PRO-IP) strategy/ action plans.	* Livelihood Restoration Plans *Biodiversity & Ecosystem Management plans. *Indigenous Peoples Development Plan *Cultural Heritage Management Plan Environmental & Social Management Systems (ESMS) *Stakeholder Engagement Plan (SEP) *Grievance Redress Mechanism * Environmental and Social Commitment Plan (ESCP)	

Detailed Design, Engineering & Procurement	*Re-visit all assessments and reports to ensure ground truthing *Adjust and continue SEP *Firm up GRM *Disclose E&S Documents	Re-visit all assessments and reports to ensure ground truthing. *Adjust and continue SEP *Firm up GRM. *Disclose E&S Documents	Re-visit all assessments and reports to ensure ground truthing. *Adjust and continue SEP *Firm up GRM. *Disclose E&S Documents	Re-visit all assessments and reports to ensure ground truthing. *Adjust and continue SEP *Firm up GRM. **Disclose E&S Documents	Re-visit all assessments and reports to ensure ground truthing. *Adjust and continue SEP *Firm up GRM. **Disclose E&S Documents	Re-visit all assessments and reports to ensure ground truthing. *Adjust and continue SEP *Firm up GRM. **Disclose E&S Documents	Re-visit all assessments and reports to ensure ground truthing. *Adjust and continue SEP *Firm up GRM. *Disclose E&S Documents	Pre-Construction Phase to commence
Pre-Construction Stage	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*Continue SEP *Contractor Social & Environmental Plan (CESMP) prepared. *Labor Management Plan (LMP) prepared *GRM made functional.	*CESMP reviewed and approved. *LMP approved. *Construction Phase to commence

Project Construction Implementation Stage	Revise and/ or update reports as deemed appropriate	*Incorporate risk and safeguard management measures into the investment concept. *Update the Risk and Safeguard Tool and include it with the design document.	*Revise and/ or update reports as deemed appropriate *Apply the Markers to investment activities	Revise and/ or update reports as deemed appropriate	*Incorporate risk and impact management measures into the investment concept. *Update the Risk and impacts plans and include them with the design document.	*Incorporate risk and impact management measures into the investment concept. *Update the Risk and impacts plans and include them with the design document.	*Incorporate risk and impact management measures into the investment concept. *Update the Risk and impacts plans and include them with the design document. * Monitor ESCP to decide on 'compliance *Mid-Term Review	*SEP to continue *GRM implemented *CESMP and LMP. implemented. *E&S safeguards compliance monitoring reports prepared and reviewed. *Outputs/ deliverables accomplished
Implementation Completion Review and Report	*Project Completion Report (PCR) *Post Evaluation Report	*Project Completion Report (PCR) *Post Evaluation Report	*Project Completion Report (PCR) *Post Evaluation Report	*Project Completion Report (PCR) *Post Evaluation Report	*Project Completion Report (PCR) *Post Evaluation Report	*Project Completion Report (PCR) *Post Evaluation Report	* Implementation Completion Review and Report (ICRR)	Implementation Completion and Lessons Learned
